

INTRODUCTION

Cities and towns may give property tax exemptions to some individuals as defined by state law. An exemption discharges the taxpayer from the legal obligation to pay all or a portion of the tax. Exemptions are found in various clauses of Massachusetts General Laws Chapter 59, Section 5 (M.G.L. c. 59, § 5).

Clauses 22, 22A, 22B, 22C, 22D and 22E provide exemptions to veterans who meet specific residency, occupancy, ownership, disability or other requirements and were not dishonorably discharged, and their spouses, surviving spouses or surviving parents.

APPLICATIONS

You must file an application each year with the assessors in the city or town where your property is located. The application is due on April 1, or three months after the actual tax bills are mailed, whichever is later. ***Filing on time is required. By law, the assessors may not waive this filing deadline, nor act on a late application, for any reason.*** Filing an application does not entitle you to delay your tax payment.

DOCUMENTATION

You must provide the assessors with whatever information is reasonably required to establish eligibility. This information may include, but is not limited to:

1. Evidence of residency, ownership, domicile and occupancy.
2. Certification of a service-connected disability from the U.S. Department of Veterans Affairs (VA) or branch of U.S. military service from which discharged.

NUMBER OF EXEMPTIONS

With limited exceptions, you may only receive one exemption under M.G.L. c. 59, § 5. If you qualify for more than one, you will receive the one that provides the greatest benefit. You may receive an exemption and if qualified, defer all or a part of the balance of the reduced tax.

The Department of Revenue (DOR) has created this fact sheet to provide general information about local property tax exemptions for Veterans. It is not designed to address all questions or issues and does not change any provision of the Massachusetts General Laws. **To find out about the specific eligibility and application requirements in your city or town, you must contact your local board of assessors.** The DOR cannot advise you about your eligibility. Property taxes are assessed and collected by cities and towns, not by the DOR. Under state law, only your board of assessors, as the local tax administrator, can decide whether you qualify for an exemption. If you disagree with its decision, you may appeal to the state Appellate Tax Board (or county commissioners if your county's government has not been abolished).

ELIGIBILITY REQUIREMENTS

You must satisfy tests relating to residency, domicile, ownership and service-connected disability or awards. All eligibility requirements must be met as of July 1 of the tax year. (*The fiscal year of cities and towns begins July 1 and ends the following June 30.*)

RESIDENCY

Veterans must have; (1) been domiciled in Massachusetts for at least 6 consecutive months before entering the service; or (2) lived in Massachusetts for at least 5 consecutive years before the tax year begins (or at least 1 consecutive year before the tax year begins, if the legislative body of the city or town has voted, subject to local charter, to accept this local option).

DOMICILE

You must occupy the property as your domicile. If you are a spouse of a veteran, you and the veteran must occupy the property as your domicile. Your domicile is where your principal and legal home is located, your family, social, civic and economic life is centered and you plan to return whenever you are away. You may have more than one residence, but only one domicile.

OWNERSHIP

You must own the property.

1. Your ownership interest must be worth at least an amount ranging from \$2,000 to \$10,000, depending on the exemption. You may own this interest solely, as a joint owner or as a tenant in common.
2. If you hold a life estate in the domicile, you are considered the owner.
3. If your domicile is held in a trust, you are considered the owner only if:
 - a. You are a trustee or co-trustee of that trust, and
 - b. You have a sufficient beneficial interest in the domicile.

If not, the deceased soldier, sailor or guardsmen had to have been domiciled in Massachusetts for at least 6 consecutive months before entering the service.

Surviving spouses of soldiers, sailors or guardsmen who died or were presumed dead from combat on or after September 11, 2001 may also receive retroactive exemptions beginning as early as fiscal year 2003. Eligibility depends on the date of death or presumed death, and the satisfaction of all other qualifications.

2. Spouses (where veteran's spouse owns the domicile) or surviving spouses of veterans entitled to exemption under Clause 22E.
